STUFF FOR YOUR STORE

IT'S A WRAP

CHAMILIA has introduced a BRAIDED LEATHER WRAP BRACELET in three colors — plum, cognac and ebony. The versatile bracelet does double duty as a braided necklace. Just add beads: Chamilia's are handcrafted of 14K gold, sterling silver, Swarovski Elements, Italian Murano glass and colored stones. Each wrap retails for \$40 without beads.

2 READ CRACKED CODES

HONEYWELL VOYAGER 1200G SCANNER reads even poor quality and damaged bar codes. The device shortens read times, improves productivity and minimizes human error associated with manual data entry. The Voyager 1200g also provides superior reliability and fewer components, leading to decreased downtime and service costs.

3 BOX IT UP

Traditional with subtly curved lines, this RAGAR JEWELRY BOX is crafted of teak with black ebonized interior trim. The lid's interior mirror reflects the cream suede lining. A lift-out tray has ring rolls, earring/bauble areas, and a long compartment. Underneath, four divisions protect necklaces and bracelets. Brass hinges and a 15-coat finish round out the features. Includes a white gift box. Price: \$168.

5 BUILD RINGS VIRTUALLY

The 2011 version of GEMFIND'S RING BUILDER WEBSITE tool allows customers, while shopping on your store's website, to virtually superimpose 10 different shapes of loose diamonds onto one of more than 400 engagement ring styles from Unique Settings of New York. After the ring is virtually configured, the user can select from thousands of certified loose diamonds supplied by diamond vendors within GemFind.net.
